Based on the discussion of your team, write down the conclusion that your team reached.

Note: Please do not use this document for purposes other than filling out answers (e.g., collaboration).

Question 1:

Who is/are the thief/thieves for each of the four laptop thefts?

Theft happened on 8/28 Friday 8am
Thief/thieves identified: Riley
Theft happened on 9/3 Thursday 4pm
Thief/thieves identified: Zahra
Theft happened on 10/5 Monday 3pm
Thief/thieves identified: Quentin
Theft happened on 10/9 Friday 10am
Thief/thieves identified: Tay

Question 2:

Determine whether the thieves stole for their own purpose or if there was someone behind each theft. If so, specify who.

Theft happened on 8/28 Friday 8am
Select one of the following options to indicate your answer: The thief: 1. Stole for their own purpose 2. ____ There was someone behind this theft. Who?
Theft happened on 9/3 Thursday 4pm
Select one of the following options to indicate your answer:

<p>The thief:</p> <ol style="list-style-type: none"> 1. Stole for their own purpose 2. There was someone behind this theft. Who?
Theft happened on 10/5 Monday 3pm
<p>Select one of the following options to indicate your answer:</p> <p>The thief:</p> <ol style="list-style-type: none"> 1. Stole for their own purpose 2. There was someone behind this theft. Who?
Theft happened on 10/9 Friday 10am
<p>Select one of the following options to indicate your answer:</p> <p>The thief:</p> <ol style="list-style-type: none"> 1. Stole for their own purpose: 2. There was someone behind this theft. Who?

Question 3:

Specify possible motives for each of the four thefts.

Theft happened on 8/28 Friday 8am
Ariana owes money to Riley; Riley works in the lib and took the laptop as payment.
Theft happened on 9/3 Thursday 4pm
Zahra needed to pay his credit card bill and after hearing from Riley how easy it was to get money from the theft so he stole the laptop from the BOA while he worked at the Computer Building right across the street.
Theft happened on 10/5 Monday 3pm
Quentin was in the Engineering Library at the same time as the theft. The Hammond Library is right across the street from the Starbucks. Quentin also received a large sum of money \$1050.00 a week after the theft.
Theft happened on 10/9 Friday 10am

Tay was getting back at Frank because he hit her car earlier in the semester. She was also doing laps in the White Building pool at the same time of the theft.

Question 4:

In the space below, specify any possible connections between the thefts.

Other than the connection of family between Riley and Zahra I do not see any connections between the thefts.
