*Question 1:*

Who is/are the thief/thieves for each of the four laptop thefts?

<b>Theft happened on 8/28 Friday 8am</b>
Thief/thieves identified: Riley and Zahra are the thieves identified. Zahra stole the laptop from Ariana at the library and gave it to his cousin, Riley. Ariana owed Riley money and she wasn't planning on paying.
<b>Theft happened on 9/3 Thursday 4pm</b>
Thief/thieves identified: Sean was going to swim near the BOA center during the time of the robbery. The Natatorium is close by the BOA center, so Sean stole the laptop on his way to swim.
<b>Theft happened on 10/5 Monday 3pm</b>
Thief/thieves identified: Mikayla was at Five Guys from 2:40-3:30 which is next to Starbucks. Everyone else who is a suspect had an alibi for the robbery.
<b>Theft happened on 10/9 Friday 10am</b>
Thief/thieves identified: Tay was at the White building on the 10/9 during the robbery and then posted a Craigslist ad at 10:30. He also had income of \$570 on the 15 <sup>th</sup> of September, and he is close friends with Sean, who is a suspect in another robbery.

*Question 2:*

Determine whether the thieves stole for their own purpose or if there was someone behind each theft. If so, specify who.

<b>Theft happened on 8/28 Friday 8am</b>
Select one of the following options to indicate your answer: The thief:

2. XXX There **was** someone behind this theft.  
Who? **Riley** was behind the theft, and Zahra stole it

**Theft happened on 9/3 Thursday 4pm**

Select one of the following options to indicate your answer:

The thief:

2. XXX There was someone behind this theft.  
Who? Sean stole the laptop, and Tay helped by selling it

**Theft happened on 10/5 Monday 3pm**

Select one of the following options to indicate your answer:

The thief:

1. XXX Stole for their own purpose... Mikayla stole the laptop

**Theft happened on 10/9 Friday 10am**

Select one of the following options to indicate your answer:

The thief:

1. XXX **Stole** for their own purpose: **Tay** stole the laptop and posted it to Craigslist

*Question 3:*

Specify possible motives for each of the four thefts.

**Theft happened on 8/28 Friday 8am**

**Debt** owed to Riley by Ariana

**Theft happened on 9/3 Thursday 4pm**

Money

<b>Theft happened on 10/5 Monday 3pm</b>
Mikayla wanted a laptop
<b>Theft happened on 10/9 Friday 10am</b>
Money

*Question 4:*

In the space below, specify any possible connections between the thefts.

Sean and Tay's thefts are connected because they are close friends and they both had hands in the sale of the laptops in some way.
